Ineligible Photo Entries: Any photo which was a First Place Winner or an Honorable Mention in any category in a prior SVECC Annual Photo Show is excluded from competition.

Submissions may be delivered to a Photo Group representative at any 9 AM Computer Club meeting or Photo Group meeting prior to the deadline for inclusion in the exhibit beginning in January. All SVE residents and guests are welcome to attend the exhibit on Sunday, March 1 in the Oakwood Room. Attendees can vote for their favorites in each category.

The SVECC Photo Group is a subgroup of the Computer Club devoted to digital photography and helping member photographers improve their photographic skills. The Show Committee reserves the right to combine categories if there are insufficient submissions, and has final say on the category of each submission. 3/4/19
